Dear Mr. Padmanabhan,

We have identified the samples sent by Mr. Gary Grandominico from Trailer FA 12099 HW 4-23-98 XB006620 as follows:

One sample contained 5 hard maples and 2 birch; another sample contained 4 hard maple and 2 soft maple; and a third sample contained 3 hard maple, 2 soft maple, and 2 birch.

I will take these samples to Dr. Micales for analysis.

Best regards.
